

Happy 90th Birthday, Professor Glauber!

September 22, 2015

On Friday, September 18, Harvard Physics faculty and their families gathered in the Loeb House to celebrate the 90th birthday of **Roy J. Glauber**, Mallinckrodt Professor of Physics, Emeritus. Long-time friends from MIT and Boston University, including Professors Sheldon Glashow, Dudley Herschbach, and Wolfgang Ketterle, also came to share the merry occasion.
