ERWIN SCHRODINGER AND RELIGION

Erwin Schrödinger

Erwin Schrödinger was an Austrian scientist who won a Nobel Prize.

Schrödinger had an unorthodox view of 'God'.

Schrödinger imagined a cat, unseen, in a box .

According to quantum mechanics the cat may be both dead and alive until the box is opened and the cat is observed.

According to Schrödinger, the mind of the person who opens the box decides if the cat is alive or dead.

In other words, mind creates matter.

In other words, the mind can tune into Heaven or Hell.

Interpretations of Schrodinger's cat

Erwin Schrödinger had a lifelong interest in the [Vedanta](#) philosophy of Hinduism, and in Buddhism and in Christianity.

He said: "We living beings all belong to one another, we are all actually members or aspects of a single Being, which we may in western terminology call God, while in the Upanishads it is called Brahman."

He saw the possibility that individual [consciousness](#) is a part of one big consciousness pervading the universe. [\[22\]](#)

Erwin Schrödinger said: "We do not belong to this material world that science constructs for us."

"We are not in it; we are outside."

[How is it possible .](#)

In other words, it is the mind and not the body that is important.

Erwin Schrödinger wrote about Nirvan and Karma and the 'Self'.

Hindus and Buddhists disagree about 'God'.

Vedanta Hindus teach that our soul, when purified, returns to 'God'.

Buddhists teach that Nirvana is something beyond our understanding.

"The Buddhist Nirvana is not the primordial ground, the eternal essence, which is at the basis of everything and form which the whole world has arisen - the Brahman of the Upanishads..."

"The Buddhist Nirvana is something altogether different which must be characterized as a nothing in relation to the world, but which is experienced as highest bliss by those who have attained to it..."

[Vedanta and Buddhism .](#)

Erwin Schrödinger said: "Nirvana is a state of pure blissful knowledge..."

"It has nothing to do with the individual."

"The ego or its separation is an illusion."

"Indeed in a certain sense two "I"s are identical namely when one disregards all special contents - their Karma."

"The goal of man is to preserve his Karma and to develop it further."

"When man dies his Karma lives and creates for itself another carrier."

[Erwin Schrodinger](#) .

How do you tune into Nirvana / Paradise / Heaven?

You switch off the selfish ego.

Erwin Schrodinger is the biggest fraud in scientific history... and post 1926 Quantum Mechanics has been the biggest Occult deception of 20th/21st century... I mean without getting overly complicated... ACTION is required in nature!

Go with GUT-CP... trust me on this Aang/Irfan... The Grand Unified Theory of Classical Physics... Dr Randell Mills
The Quantum of Solace...

I love you Aang (and Irfan?), whether you be a singular entity or multi-persona (although the image of you as a group of Catholic school girl activists is my favourite, and therefore my one and only truth - and my kitty's alive, well and purring in said box!) - Chris B

Chris, this sounds like RHCPeppers song...

Actually, soul is eternal, it is changing bodies like man is changing shirt. (False) ego is source of world chaos, but real spiritual ego EXIST and this is above the Brahman, impersonal realisation : more than Nirvana.

Soul needs activity, and there is also spiritual activity for the soul, in the spiritual sky called Goloka Vrndavana...

Buddhism is noble, personal Vedant (Vaishnavism, Vishnuism)is much better .
For further info pls read these amazing books :

Bahgavad Gita as it is
and

Srimad Bhagavatam.

Ommm ;-)

I would like to share my understanding with you brother, in esotericism or gnosis the mind is the fool that can never see the truth, it was portrayed by Master Jesus the Christ as a donkey which he rode into Jerusalem (a higher dimension or state of consciousness) the absolute which is symbolised as heaven in religion is far beyond the mind. It is our consciousness, essence (soul) that has the privilege to enter the absolute with all the other parts of our being when it has freed itself from the ego, i or self. The mind makes theories, it has subjective opinions etc but it never experiences the truth. much love to you all

when Master Jesus said to Nicodemus about being born again Nicodemus didn't understand him, Jesus was giving a secret teaching, a teaching that the initiates understand very well. To be born is always a sexual matter, there can be no birth without the sexual act. Master Jesus was talking about the alchemy and not the usual profane sex which is taught to this poor humanity but the sex between male and female (husband and wife) with out the abdominal organism. This is true meaning of the cross, the horizontal (woman) vertical (man) and at the centre of the cross where they both touch is the point of sexual contact between the couple but without the orgasm. All true alchemist know what I am talking about here....

who prints the currency...

who owns the media....

what is the bad faith religion....of lies ?

why do perverts and truth haters believe lies..?

where do the worshippers of truth haters go to collect their reward for hating truth...and worshipping "TRUTH HATERS"....?

<http://www.smoking-mirrors.com/2010/10/vampire-bankers-host-invisible-siren.html>

avoiding the issue of why Adoram got stoned doesn't change true

when specifically did the Children of Israel allegedly "TURN INTO"... so-called "Jews"...from the land of Gog & Magog in Genesis 49 & Deuteronomy 32&33...?

Just sayin'....

After our body dies, our soul goes up in the light to Nirvana, where we are lovingly greeted by those who left before us. We have a boo at our Akashic records and see what if anything we left undone in our soul contract. We get a chance to rest up in the beauty of Nirvana and decided when and with whom to come back and finish our experiences on Earth, or elsewhere. There is a lot more to it, and this wonderful book lays it out and will bring peace to the rest of your time here on Earth. I had a near death experience where I had the chance to visit my brother who passed over before me; and I believe this.

Any kind of organized religion or texts have nuggets of truth in them, but they've been translated from other languages with errors, or the biases of the translators, and in some cases actually been deliberately or accidentally altered from what was intended.

LOVE and PEACE to you Aange/Irfan and all the anons out there
